

We want to see customers enjoy the tasting room, patio, and grounds at Clover Hill Winery, but we have a few rules to help make everyone's experience with us enjoyable.

● **Tasting is Complimentary**
but we do have a 5 taste limit.

● **Groups of 12 or More**
are by appointment only and a tasting fee applies.

● **Enjoy our Patio**
with a glass or bottle of wine to share with friends, but please consume responsibly. We will refuse service if you appear intoxicated.

● **No Smoking**
Smoking can inhibit your sense of smell and taste, and our grapevines like to breathe clean air!

● **No Pets**
We have a few dogs of our own but they are the only ones that can wander around Clover Hill.

● **No Outside Alcohol**
at Clover Hill, we only drink Clover Hill Wines.

● **Please Throw Trash**
and recyclables in the correct bins.

● **Everyone Knows Wine**
makes everything more romantic, just please keep the romance to a "G" rating!

● **Be Kind**
and courteous to others and please don't steal our wine glasses and ice bags!

Thanks in advance for respecting our rules and we hope you have a wonderful visit!
